

Circle Yoga Summer Camp 2022
COVID-19 Protocols

Circle Yoga will be holding in-person camp for kids ages 4-12 this summer! We are monitoring the COVID-19 developments and will be following all safety guidelines from the CDC and the DC government, as we want to ensure the safety of our campers and staff.

The following protocols will be in place at Circle Yoga Summer Camp:

- Class sizes will remain smaller than in pre-Covid summers
- Camp will be in our renovated studio space, which has a new HVAC and filtration system
- Children will be met at the front door of our Pharmacy entrance
- Caregivers will be asked to remain outside
- Caregivers will need to confirm that neither campers nor any household members have shown symptoms of Covid, nor have they been in contact with someone who has tested positive for Covid in the previous 14 days.
- All common areas and restrooms will regularly be cleaned with CDC approved disinfectants

It is likely that mask wearing and distancing policies will be in place, but more details will be available in the spring, according to the CDC guidelines and the DC government protocols.
