

Circle Yoga Summer Camp 2022

COVID-19 Protocols

Circle Yoga will be holding in-person camp for kids ages 6-12 this summer! We continue to monitor Covid-19 developments and will follow safety guidelines from the CDC and the DC government, as we want to ensure the safety of our campers and staff.

We strongly recommend vaccinations for all who are eligible. Masks will be optional at camp this summer (subject to change based on Covid rates and/or city protocols). If, however, your child has been exposed to someone who has tested positive for Covid, your child will be required to wear a mask for the duration of their camp week. If a child tests positive for Covid, they will not be able to attend camp until 10 days following the start of their symptoms and until they are symptom free and test negative.

The following protocols will be in place at Circle Yoga Summer Camp:

- Class sizes will be remain smaller than in pre-Covid summers
- Camp will be in our renovated studio space, which has a new HVAC and air filtration system
- Children will be met at the front door of our Pharmacy entrance
- Caregivers will be asked to remain outside
- All common areas and restrooms will regularly be cleaned with CDC approved disinfectants
